

# Go for a ride in the all new 2022 Toyota Sienna LE

The Toyota Sienna can comfortably fit up to 8 people and still have space for your things. Not only are the seats in the back easily accessible but they're also foldable in case you need more space for a long trip or just a day out on the town.

All seats come with the latest in seatbelt safety technology.

With a modern dashboard screen, Apple car play, Android auto and a clean responsive input set up the Toyota Sienna has all the latest tech features you need to support your family and turn heads.

The Sienna also has modern airbag systems, collision detection, lane assist and more to help you and your growing family safe during your day to day activities.

# TOYOTA

In the all new 2022 Toyota Sienna LE you can drive in style with this all wheel drive fuel efficient hybrid.

With a fuel efficiency rating for 6.5L/100KM the environment, and the people around you, will thank you for your service.
